**ANDREW J. PECK, United States Magistrate Judge:**

The above cases shall be coordinated before me for discovery purposes.

The scheduled conference in 13 Civ. 3314 on September 15 at 9:30 AM shall apply to all of the above cases. Before that conference, counsel shall discuss whether the schedule set by Judge Swain in 13 Civ. 3314 (ie., fact discovery cutoff of 1/30/15 and expert cutoff of 3/31/15) can apply in all 6 cases or whether adjustments are needed. (The Court notes that the schedule is very generous and any request to extend it must have a good reason.)

SO ORDERED.
